YOU WANT A PIZZA ME?

You had me at Pizza! We have a fantastic pizza opportunity available. This is an established pizzeria in a growing neighbourhood. Sales currently average \$7000 and include an established weekly order of over 100 pizzas for a nearby school. The school role has recently doubled and the vendor expects this order to grow in size for 2020. Cheesus Crust! There is plenty of opportunity here for new owners to take things to the next level. All of the ingredients are here. Little competition in a growing area means that the new owners will be able to make the most of the \$50,000 pizza oven and walk in chiller. Plenty of opportunity to grow sales by adding Uber eats or other ride aggregators. A long and secure lease will give the new owners a long runway to establish themselves in this attractive market. There is nothing to do on day one apart from takeover and pick up from the old owner. The transition should be smooth with the current owner prepared to offer a full training period. Pizzas are easy to make, have good margins and are easy to sell. The new operator does not necessarily need to have experience in running a pizza shop but must have the business savvy to take this to the next level! Have a slice day and contact Jeremy on 09 6309491 for more information.
