## PROPERTY RENOVATION- PRODUCTS & SERVICES- QT BASED

Profitable with Ongoing Workload and Forward Orders Product Supply and Services Business.

Based in Queenstown, this company supplies products and services throughout the Otago Lakes district along with a managed and well-established Dunedin presence.

Successfully operating over many years, this business has continued to demonstrate consistent performance. Since release from lock down the company has seen orders pick up from where they left off.

The owners find themselves in the fortuitous position that ongoing workload and forward orders have resumed notwithstanding the current situation.

Demand for the company's products and services tends to come from the property renovation and improvement market rather than mass subdivision new builds.

This business offers the opportunity to secure a profitable income stream and exceptional lifestyle benefits in this outstanding region of natural beauty.

Consider the following:

- Profitable with proven returns for the owners over many years
- Forward workload and orders in hand
- Products and services to the property renovation and improvement market
