

AUK

ELECTRICAL ELECTRONIC SERVICE-PROFITS APPROACHING \$400K P.A.

This very profitable and long-established business provides time critical repair and maintenance services to clients in the civil, infrastructure and construction fields, who use specialist, high-value electronic equipment.

The business has long-established relationships with a large database of regular customers. They are the authorised service agents for high-end, multi-national brands of this specialist type of equipment.

The business would ideally suit someone with an electronics/electrical background.

Owner works just 3 or 4 days a week and is supported by experienced contract staff. The owner may be prepared to stay on to provide support and training for a time.

A solid business with very strong cashflow providing a specialist electrical, electronic and mechanical niche service to a specific group of customers in the construction industries.

Price \$399,000 plus stock of approx. \$25,000
