## INCREDIBLE CONNECTION- WIRELESS INTERNET

This well-established business is one of only 2 such businesses in the area. The owner is currently not in good health and as such has reluctantly asked us to present the business to the market. This could be an ideal business for an IT professional looking to step away from the corporate life and not spend your days in an office. Get outdoors and combine your skills with a hands-on approach.

Currently, the owners enjoy a great life balance with a steady income, but the business they say, has massive growth potential which has remained untapped due to personal circumstances.

Further more, enjoy a recurring income from your monthly subscribers so makes money before you get out of bed in the morning. The current owners enjoy a 6 figure income.

A unique proposition priced at \$150,000 plus stock.
