SUBURBAN COFFEE ESPRESSO, SALES AND PROFIT OPPORTUNITY

Looking for a first business? here is a simple, easy to run and low-cost coffee espresso located in one of Auckland's most affluent suburbs.

The vendor expects sales to return to pre-lockdown levels of \$7,500 per week once the traffic light system is introduced.

At these levels the business has been run under management by the current owner with one full time staff member and two-part timers.

The low staffing requirements make it a perfect opportunity for a working owner to get in, dramatically reduce the staffing costs and grow the profits.

Easy to run, simple cabinet food and coffee sales of around 20kg per week. Low rent and overheads of only \$720 per week including GST and outgoings.

At an asking price of only \$95,000 including stock, the math gets pretty simple.
