WELL ESTABLISHED OSTEOPATHIC CLINIC

This business is ideal for an Osteopath, to walk into an established patient database. Would also suit a Physiotherapist, Kinesiologist, Acupuncturist, Chiropractor, or similar, therefore extending the services currently provided by the clinic. Or perhaps you have clinic management skills and could run the clinic and support the current practitioners.

The clinic has been operating for over ten years under the current owner who is a qualified Osteopath. There are three other Osteopaths who work alongside the owner, a clinic manager who supports the team, and a Massage therapist who rents one of the three rooms within the clinic.

The clinic is situated in a busy block of shops with a high foot count. There is an opportunity to expand to offer four rooms.

Key Points:

Cash surplus to a working owner \$100,000+

Excellent location with new housing developments nearby and within a busy block of shops

An excellent opportunity for an experienced Osteopath or complementary practitioner to work alongside two qualified colleagues
