LUNCHBAR STYLE FOOD DELIVERY - HIGH WEEKLY SALES

School Holidays? Off

Weekends? Off

Public Holidays? Off

This is one of the most interesting businesses I have seen in a while.

- Not just for the sales, \$21,000 circa and more some weeks. (trades around 40 weeks a year).

- Not just for the rent, which is only \$1,500 including GST per month

- Not just for the lifestyle, not only do you get the holidays and weekends off but your role as the owner is staff supervision, execution and management.

This is a catering company with a centrally located kitchen that distributes around Auckland.

The current owner, who is experienced in hospitality, says this is the best business they have had. They are only looking to sell for retirement.

For this reason, it is a one-off opportunity and would be very challenging to replace or compete with.
