HIGH MARGIN FOOD MANUFACTURING, STRONG SALES AND PROFIT

Design a food manufacturer in your head

What are the characteristics that you would dream for? - What would you imagine?

Profit? You would surely imagine some profit?

Following up on a strong 2022 the owners are expecting profit of circa \$500k for 2023.

Is it a leading product in its field with great brand appeal?

Tick!

Strong margins?

A low cost but high ticket price. This is the food manufacturer's dream. In times of inflation the input costs for this business have stayed manageable. Despite the low input cost the business is able to charge gourmet prices.

A simple and easy to repeat single product?

One product, repeated processes, means reduced complexity.

Low staffing intensity.

' WE SELL BUSINESSES '

This business does not need a lot of people to generate sales.

The business trades only 5 days per week?

Have a couple of days off each week or look to increase sales by trading 7 days

Sales and proven trading history.

The business has grown from a standing start each year to where it is today with sales at \$1.5 million + GST for the 2022 financial year.

Opportunity for future growth?

There is plenty of leverage left in this business. The kitchen can make more and there are plenty of opportunities for future growth.

Financial documentation.

For number crunchers there is lots of information with this business for you to chew over.

Now imagine you want to buy a food manufacturing business. This could be the one for you. Give Jeremy a call on 02108852957.
