FOOD MANUFACTURING BUSINESS - PROFITABLE WITH POTENTIAL (CML 10704)

Attention Food Industry Entrepreneurs! A rare and exciting opportunity has arisen for you to take ownership of a successful and thriving food manufacturing business. Established in 2004, this business has built a loyal following of customers, consisting of not only supermarkets and end-users but also long-term wholesale clients, a testament to the high-quality products and excellent customer service the business provides.

The business has been affected by the Covid-19 pandemic and is recovering well, recording sales of around \$840,000 in 2022, demonstrating the resilience and potential of the business. The current owner has put in place robust systems and processes, including an operations manual that covers everything from kitchen scheduling, procurement of ingredients, and managing stock levels, to processing orders, ensuring a smooth and efficient operation.

One of the key assets of the business is its large portfolio of over 150 recipes, offering a wide range of delicious and innovative food products that have proven to be popular with customers. The current owner has established a positive and long-standing relationship with suppliers, ensuring that the business has access to high-quality ingredients at competitive prices.
