PROFITABLE PIE MANUFACTURER WITH GROWTH POTENTIAL

This successful pie manufacturer generated sales around \$1.1 million plus GST in 2023. Profit to a full time working owner are around \$250k.

I would call this a rare opportunity. The business would ideally suit somebody that is from a baking background and is business minded.

The owner describes this as a mid sized pie manufacturer that supplies cafes, lunch bars and bakeries with pies. The factory has 600 sqm (more or less) of space so there is plenty of opportunity to expand and leverage the assets to maximise profit.

Centrally located Auckland location that is close to major arterial routes and is bursting with opportunities for the next owner.
