THIS SALON MUST BE SOLD, DON'T MISS THE OPPORTUNITY!

Unfortunately, due to health reasons, this salon must be sold! This could be the perfect time to grab this opportunity.

With 10 Styling stations, 4 washbasins and a large retail area there is plenty of space in this fabulous business for stylists to work comfortably. Situated in a prime location within a mall, right by one of the main entrances, with an entrance from inside the mall and a door which opens to the outside allowing the salon to trade outside of the mall hours.

Ample parking facilities are available, ensuring a hassle-free experience for every customer. What's more the salon is conveniently close to a large supermarket, attracting even more foot traffic. New flooring has been installed at the front of the salon and a new hot water system was installed at Christmas. With little competition in the area, all this salon needs now is a new owner to take over.

This is a great opportunity to own a fully functioning hair salon where the owner could either work alongside the stylists on the floor or work front of house rebooking clients and retailing hair care products.

All offers will be considered.
