LARGE DAIRY STORE WITH GROWTH POTENTIAL - (CML 11208)

This spacious dairy store presents an excellent opportunity with approximate weekly sales of \$7,000. The owner, for personal reasons, has not added cigarettes, leaving room for further revenue growth.

This business has demonstrated success in the past, but the current owner is unable to maintain optimal stock levels, presenting a significant opportunity for expansion.

This shop currently sells slushies, coffee, and other convenience items. With ample storage space and plenty of shared parking outside, this store is well-positioned for expansion.

Take advantage of this unique opportunity to unlock the full potential of a spacious dairy store! While the business has solid foundations, there is significant room for growth through expanding stock, adding cigarettes, and utilising the available space more effectively. With a secure lease and ample expansion potential, this is an ideal opportunity for an experienced owner-operator to turn things around.

Call Hemant Now on 027 279 9534 to set up a viewing time for this great opportunity with lots of potential.

Priced to sell at \$50,000 plus stock (\$40,000)
