MANAGED PROFITS OF \$250K PLUS- RETAIL FRANCHISE INVESTMENT

This is a solid performing Retailer with sales circa \$2.3M and surpluses averaging \$260,000 per annum to 'hands-off' owners who live over two hours drive from the business. A couple of working owners could add approx. \$107,000 p.a. to the surplus. The business is part of a very long established national retail brand with strategies in place to retain their profile and they have an online presence with increasing sales via their e-commerce platform. The store occupies an excellent, very busy, location with a growing local population and there is the opportunity to open another store within the franchise territory. With summer just around the corner now would be a good time to get into this great business. Price \$650,000 plus stock (approx. \$450,000)
