K ROAD, ESTABLISHED BURGER & BAR PROFITS AND GROWTH POTENTIAL

Licensed to 4am, this high profile burger and bar might be just the opportunity that you are looking for as we bounce back from 2020.

Recent weekly sales figures of \$17,000 plus GST are getting back to their pre-covid levels of \$20k.

Currently the business is run mostly under management. But with a strong gross margin of 67% the owner expects that a full time working owner could make profits of nearly \$3,000 per week.

Get the sales back to the historical levels and profits could grow further.

Located in the evergreen "K Road", this business should benefit from the increased foot traffic that continued urban development in the area is bringing.

Well setup and established a new owner can generate profits from day one with little immediate needs for capital expenditure. With plenty of levers to pull to generate further growth this is a can't miss opportunity for driven entrepreneurs.

Price: \$ 199,000 plus stock.
